

SIGMA PLUS 2-SEATER

Pineapple

- Wrap-around design provides comfort and stability
- Compact design maximizes the use of available space
- Double top-stitched seams enhance durability and appearance

The Sigma Plus offers a versatile seating solution available as a tub chair and 2-seater option, combining comfort with safety. The heavyweight construction minimizes the risk of mishandling, while the enclosed base panel and fixed seating platform significantly reduce concealment opportunities, ensuring a safer environment for both users and staff. Measurements 2-seater: H 786 mm, W 1352 mm, D 787 mm Seat height: 440 mm [Also available as a chair](#)
