PRODUCT DATA

Material

TPU (Approved for fluids)

Maintenance

The coffee mug is dishwasher safe and can be used in microwave ovens. (Please bear in mind that in comparison with ordinary mugs, these mugs might obtain a duller surface with time.)

Technical data

Size: H 75 mm, W 110 mm, D 80 mm. 28 cl. Designed and produced in Sweden.

Sustainability

The coffee mug has a long lifespan. Recycling as plastic.*"Reusable" plastic products are aimed to have a longer life span than ordinary disposable products. Dishwasher and microwave use is accepted, as well as mild detergents. However, we cannot guarantee maximum dishwasher cycles, microwave wattage, freezer or oven settings, since all machines operate differently. Please bear in mind that in comparison with ordinary mugs, these mugs might obtain a duller surface with time.

Delivery

Orders will be shipped within 1-2 weeks. 1 years warranty against manufacturing defects. (The product is to be seen as "reusable"* with a limited life span through its design and choice of riskreducing material, therefore no warranty is applicable.)
