- Durable plates produced in strong scratch resistant plastic
- Minimizes the risk for self-harm or harm against another person in challenging environments
- Can withstand both microwave oven and dishwasher

Regarding durability, please read Description below. Please note that plastic plates may over time become discolored by spices and food colorants.

PRODUCT DATA

Material

Polycarbonate

Maintenance

Can withstand both microwave oven and dishwasher. However, with a long exposure time in the microwave, there is a risk that the products may be damaged or deformed. Please bear in mind that the use of strong coloring spices, e.g. turmeric, paprika, curry etc. in combination with fatty foods and high heat can leave a discoloration on the plate.

Technical data

HS 606 capacity 0,25 l.

Sustainability

Recycling as plastic.

Delivery

Orders will be shipped within 1-2 weeks. 1 years warranty against manufacturing defects. (The product is to be seen as 'reusable'* with a limited life span through its design and choice of riskreducing material, therefore no warranty is applicable.)
